- a.** **Mill Centre –** Mark Esdale, Treasurer of the Mill Centre Committee, reported the views of that committee following a recent committee meeting. Their strongly preferred option was to buy the Centre to secure its future for the youth of Bridge and ensure continuity. After an extensive discussion, it was unanimously agreed to ask the city council to agree to the parish council's purchase of the Mill Centre at a rate favourable to community use, preferably at the current book value. Failing this, the parish council would seek to obtain a long lease on the building at an affordable rent.
Action; Clerk
- b.** **Methodist Chapel –** It was unanimously agreed that the council should pursue the possibility of purchasing the Methodist Chapel to use as an amenity for the community. This proposal would be put to the Rev Boxer, Superintendent Minister of the Canterbury & Coastal Methodist Circuit at a meeting on 8th September. The matter would be discussed further at the next meeting of the parish council on 8th September.
