Cllr Hill thanked Cllr Esdale for his work in organising the Christmas trees again and congratulated him on the large tree in the Churchyard.
- b. Cllr Lewis noted that there was a newly laid concrete base at the site of the garages in Dering Road.
- c. Cllr Beesty expressed disappointment at the possible shortfall in funding the Concurrent Function after the City Council had assured parishes it would not happen again. He felt it was frustrating for those parishes such as Bridge, which had been responsible and submitted moderate bids. Cllr Esdale reported that last year Bridge had had a small overspend on its Concurrent Function activities.
- d. Following complaints from a resident, it was agreed to write to Kent Highways to ask that the agreed plans to place 'Ds' at the entrances from side streets to the High Street and in particular at the junction with Aunt Betsy's Hill should be implemented as soon as possible. Cars parked at these junctions currently made it impossible for drivers entering the High Street to have a clear view of the road. **Action; Clerk**
