The road route appeared to be the worst option. It was agreed to write to Mr Stewart and ask if he needed any assistance from the parish council. The issue could be included on the September agenda once Ruth Goudie's report had been received.

b) Affordable Housing Applications; This was discussed under item 34.c. above.

c) Youth Shelter ; It was agreed to proceed with this project. Following a site meeting it was decided to put the shelter by the Health Centre fence, in the corner near the goal post. It was agreed to review the success of the shelter twelve months after its installation. The Youth Group would be asked to submit the application for funding. Cllr Beesty and the Clerk would liaise over quotations for the preferred design to be submitted with the funding bid. Adding a basket-ball hoop and skate board area was also agreed as a longer term aim.

e) Bridge Primary School Admissions policy ; Following the response from the Headteacher at Bridge Primary School, it was agreed to write to the local MP and Kent County Councillor to ask for the order of the criteria for admissions to be changed so that proximity to the school was given the second priority, after children in local authority care. A letter would also be sent to the Headteacher advising her of this decision. It was noted that Sebastian Apps had been given a place at the school following an appeal.

h) Overgrown Section of Conyngham Lane – It was agreed to write to Cantley Estates to draw their attention to this area. However, it was felt that some light pruning by residents could resolve the problem. It was also agreed to write to the Agents of Cantley Estates pointing out that fly tipping was occurring at the Old Timber Yard and asking them to secure the gate. The pothole at the entrance to Conyngham Lane would also be reported to the agents.

i) Dogs on the Recreation Ground; The council considered a letter from Mrs Shirley asking that dogs on leads be allowed on the paths on the recreation ground. Whilst the

parish council recognised that legally dogs could not be excluded from the right of way that crosses the recreation ground, it was decided to take no action because the parish council wishes to discourage dog owners from taking their dogs onto the ground.

It was also agreed to write to the Headteacher of Bridge Primary School in time for the start of the Autumn term to ask her to send out a letter to parents pointing out that parking on the zigzag lines to drop off their children was dangerous and illegal.

It was agreed to write to Superintendent Joanna Young to request morning and the end of afternoon school time monitoring of the zig zag lines from time to time.

It was further agreed that Cllr Esdale would produce a notice to be placed on windscreens or given to drivers who parked on the zig zag lines explaining that this was illegal and dangerous.
