**55/07-8.** **Declaration of Interest & Lobbying on agenda items.** There were declarations of interest on Agenda item 4d Cllr Beinder (school governor); Item 6 Cllr Corfield(neighbour of tree work applicant).

**56/07-8.** The minutes of the Parish Council meeting held on 13<sup>th</sup> September 2007 were confirmed as a true record and signed by the Chairman.

**57/07-8. Disposal of business from the last meeting**

a. **Recreation ground –** The recreation ground inspection folder was taken over by Cllr Corfield. The path near Mansfield Court was becoming overgrown. It was agreed that cleared vegetation should be moved to the fence on the far side of the ground to rot down. Cllr Esdale could lend a flat bed trolley for this. **Action;**  
**Cllrs Lewis & Esdale**

It was agreed that the remains of the vandalised picnic table could be burnt on the village bonfire. The remaining table, which had been moved by Bridge Football Club, would be returned to its original site. Mr Fawke kindly offered to arrange this.

The rubbers on the swing may need renewing. Cllr Esdale agreed to inspect them. The paint on spider had been damaged by graffiti. It was agreed to bear this in mind for next year's budget. **Action; Cllr Esdale**

Following complaints from residents, it was agreed to insert a clause in the new lease for Bridge Football Club and to point out to them in a letter that they were obligated to clear up rubbish after each session and to return any furniture that they move to its original location. **Action; Clerk**

Cllr Lewis reported that there had been no problems at Canterbury City Football Club's last home game.

Cllr Beinder asked for help with planting the wild flower area, which would take place on 1<sup>st</sup> November. Volunteers were needed at the recreation ground any time after 9.00am. **Action; Cllr Beinder**

b. **Cycle Path –** Following the Joint Transportation Board meeting, KCC Highways Dept were investigating three possible routes. The parish council had received a letter from the solicitors of S W Mount, the local landowners, asking for further information about the proposals. It was agreed to send the solicitors a copy of the agenda of the Joint Transportation Committee and point out that while the parish council supports the cycle route, it has no power to proceed until KCC have consulted the relevant local landowners. It was agreed to send a copy of the solicitor's letter to Ruth Goudie of KCC. **Action; Cllr Hill, Clerk**

c. **Mill Centre –** Following the expiry of the current lease, Canterbury City Council had re-assessed the rent. This was formerly £250 p.a. It was now proposing a rent of around £15,000 pa. If the parish council took over the lease with the help of a grant, it would need assurances that the grant would cover the full period of the lease. The parish council needed to resolve the situation with CCC and, if possible, secure the lease soon as the future of uniformed organisations in the village could be threatened. There was also uncertainty over the future of the oil depot following a take-over. The legal advisers of the Girl Guides Association (former lease holders) had offered assistance in negotiating with CCC. It was envisaged that the lease would be held by the Mill Centre Committee and neither it nor individual parish councillors would personally be liable for the rent should any grant be terminated.

d. **Local Schools Admissions policy –** Cllr Edmonds had met representatives of Kent County Council, the Diocese and Bridge Primary School to discuss the parish council's proposal that proximity to the school should be given higher

precedence than denominational preference when allocating places. The school was constrained by the government's policy on parental choice. KCC had explained that ticking the denominational preference box was now regarded as an acknowledgement that the school provided a Christian ethos. A majority of school governors supported the present system. It was agreed that the parish council consider a proposal to ask Cllr Northey to lobby KCC for change to the admissions priorities at the next meeting. This had to be done by the end of the November to effect any change in 2009 admissions policy. **Action; Clerk**

He had agreed to act in the case. Kent Law Clinic had also agreed to represent local residents and a pre-action protocol letter had been sent to CCC advising of impending future legal action. The city council had been asked either to revoke the planning permission or submit to the authority of the court. The deadline for a response had been set as 17<sup>th</sup>. October. A meeting with the barrister was planned for 18<sup>th</sup> October and it was agreed that Cllrs Lewis & Hill would represent the parish council at the meeting, when the response of the city council would be discussed with the legal team and local residents. **Action; Cllrs Lewis & Hill**
